THAT GREAT ROBBERY!

The public should be constantly on the alert, otherwise they will be Robbed, not only of their Money, but also of their health, by the delay occasioned in a fruitless trial of a base imitation of "L. F." Atwood's Bitters.

The perpetrator of this imitation, in order to make a speedy introduction of his Bitters, with small expense to himself, put them up in a style closely resembling in external appearance that justly celebrated medicine, "L. F." Atwood's Bitters; of course palming off his imitation in place of the true and original article, thereby appropriating to his own use that which justly belonged to another.

This POTENT REMEDY, mild, harmless, but SURE in its operation, purifies the blood, restores the wasted energies, regulates all deranged functions, giving new life and vigor to the whole system.

***BEWARE!** L. F. Atwood has never sold his interest in his Bitters to one "Wood," nor to one "Moses F. Atwood;" therefore, be not misled by their signatures.*

☞ *The True Medicine gives Relief, and bears the large red patented Trade-Mark, "L. F.," as well as the Signature of "L. F." Atwood.*

PREFACE.

THE usual time for a new edition of the BIDDEFORD AND SACO DIRECTORY has again come, and we present No. 5 of the regular series to our patrons, with the confidence of its welcome reception by them, as well as by the public generally.

As cities grow in importance and population, the directory increases in value, as a book of reference, until large cities like Boston and New York could not possibly get along without their annual publication. A good directory is a great benefit to a city, not only to the citizens, but to strangers and visitors, who are constantly referring to its pages for information of some kind. We also often receive orders from distant parts of the country for our directories, which show that their circulation is not necessarily limited to the cities they represent.

We wish especially to call the attention of persons using the directory, to the importance of knowing the precise spelling of a name, before looking for it, as names, pronounced the same, but spelled in various ways, will appear on different pages, and at quite a distance from each other.

Our agents have received the usual courteous attention from all with whom they have come in contact, while obtaining the information for this number, and with many thanks for the same, as well as the generous patronage bestowed upon us by the business men of Biddeford and Saco,

We remain, very respectfully,

GREENOUGH & CO.,

Pepperell Park is a tract of land of a number of acres, situated on the easterly side of the village, and was granted to the town, in 1752, by Sir. William Pepperell. The donation of a part consisted of four acres "for building a meeting-house, for a burying-place, and for setting up a school-house, and for no other use or end whatever." A still larger grant was made of land adjoining, by the same grantor, "for a training-field," etc. The Unitarian church, now occupied by Rev. J. T. G. Nichols' society, is situated on this grant.

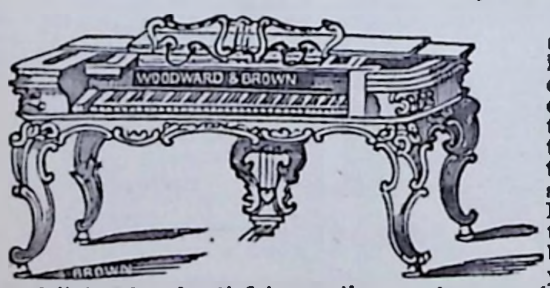
PIANOS

AT GREAT BARGAINS.

WOODWARD & BROWN,

Have Removed to the Large and Elegant Warerooms,

No. 592 WASHINGTON ST., NEAR GLOBE THEATRE.



The remarkable beauty and purity of sound that modern skill has succeeded in producing, are nowhere better exemplified than in the instruments that crowd our warerooms. All the qualities that give superiority, strength of tone, sonorousness, ability to stand in tune, and ease and flexibility of action, are found there in perfection. These Pianos have long been famous. also, for thorough workmanship, and the durability that characterizes them. After years of service, the full, mellow tone so delightful and satisfying to the ear, is as perfect as at first, and in every detail care and nicety in labor are evident.

At the recent Worcester County Exhibition they were awarded the highest premium. The same was the case at the last great Exhibition and Fair of the Massachusetts Charitable Association, held in Boston, of which the late Jonas Chickering was the president, and his pianos took the second prize. They will stand in tune longer than any other piano manufactured, as we make a specialty of that point.

Pianos sold on installments. Old Pianos taken in exchange for New. Pianos to let. Pedal Pianos. Tuning and Repairing done in the best manner. DON'T FORGET THE NUMBER,

BRETT'S
EUREKA SALVE!
PURELY VEGETABLE.

This remarkable cleansing and healing agent having been used by the discoverer and his family, employes, friends, and neighbors for many years, in numberless cases, with the most satisfactory results, we feel the utmost confidence in offering it to the public, (which we do by the earnest solicitations of those who have used it), for the immediate **Relief** and **Permanent Cure** of BURNS, SCALDS, BRUISES, CUTS, **CATARRH,** FELONS, CORNS, FROZEN HANDS AND FEET, CHILBLAINS, OLD SORES, SORE THROATS, DIPHTHERIA, PNEUMONIA, SCARLET FEVER, PILES, BAD COLDS IN THE HEAD, RHEUMATIC AND NEURALGIC PAINS; also, PAINS IN THE BACK, SIDE, AND BREAST, NUMBNESS OF LIMBS, COLD FEET, CHAPPED HANDS, SORE EYES, VARICOSE VEINS, SORE LIPS, HAY FEVER, BOWEL COMPLAINT, DYSPEPSIA, AND ULCERS. It produces circulation, and prevents and removes inflammation, and stagnation of fluids, and maturation in sores, which is the cause of pain and soreness; and also prevents mortification from setting in, if applied in season, used freely, and renewed often.

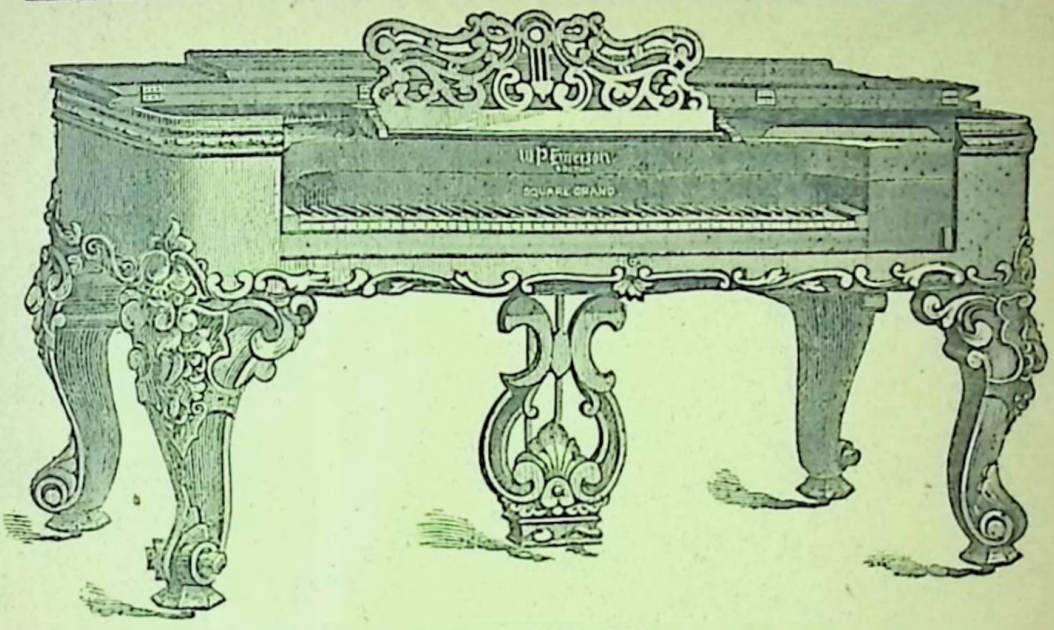
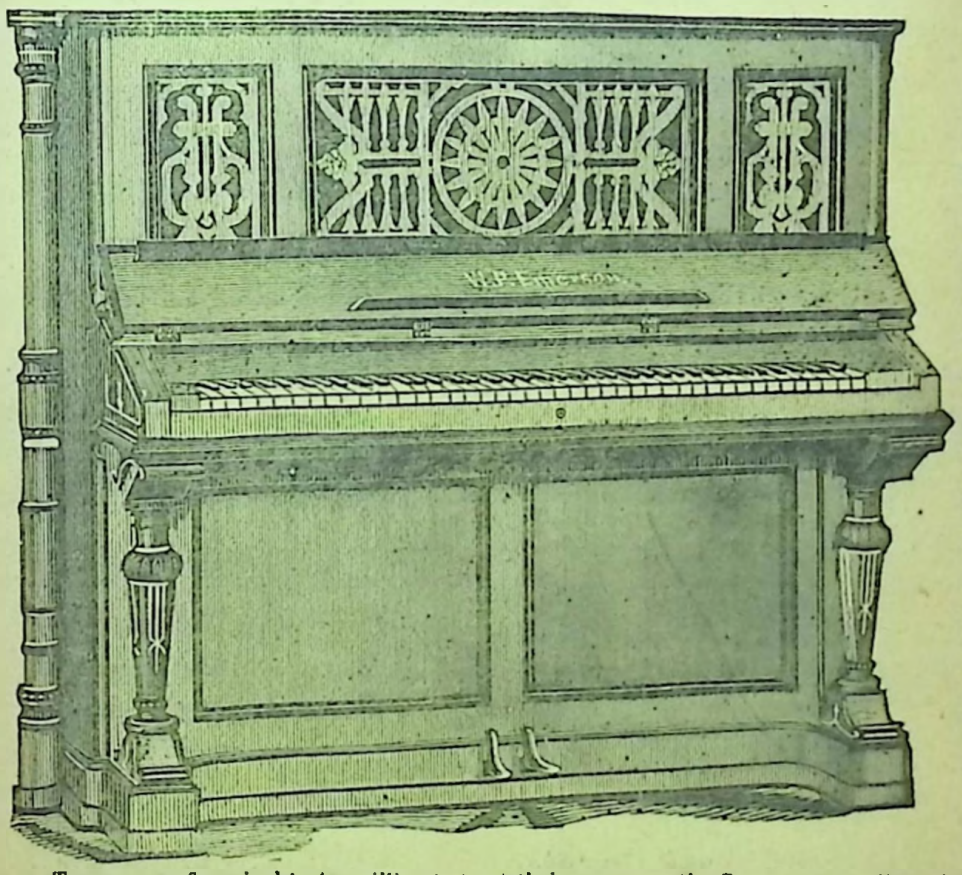
EMERSON PIANO-FORTES.



THE EMERSON PIANO COMPANY

Are desirous that their instruments shall be subjected to the strictest tests. By care in selecting materials, and by rigorously insisting upon perfect work, they produce instruments that are **ABSOLUTELY UNSURPASSED.** The mechanism of the Piano-Forte is simple and easily understood. There is no secret nor mystery about it, as some shrewd advertisers would have the public believe. The solidity of the frame and case, the well-chosen, well-seasoned and well-wrought wood of the sounding-board, the perfection of the hammers, dampers and strings; the unyielding firmness of the pins, the scientific voicing and tuning—these are the elements necessary to form **Perfect and Satisfactory Tone.**



More than twenty-two thousand of these Pianos have been made and sold, and the Standard of Excellence was never so high as now. Superior Upright Pianos to Rent. Every Piano Warranted for Seven Years.

To persons of musical taste, willing to trust their own ears, the Company submits its instruments, confident that in sonority, evenness, crisp action, sustaining power and durability, they are not anywhere excelled.
